

drivers deals

this pack details a number of deals that are available to the pbmw drivers, not all are necessary but should help you save a few pounds. it is your responsibility to check suppliers terms and product details. all prices correct at time of publication.

mike stokes- toyo tyres

We have made a 3 year deal with Toyo Tyres to be the sole tyre supplier for the championship.

The control tyre is: Toyo R888 195/50 R15 82V 2G

The R888 is a track oriented tyre, more information on the Toyo website:

<http://www.toyo.co.uk/index.php?fuseaction=car.R888>

THE COST

These tyres are available through all Toyo suppliers but we have negotiated special rates for registered competitors.

Your first purchase (of up to 8 tyres) are at a cost of £42.71 each, including VAT and delivery.

Subsequent purchases are at a cost of £49.29 each, including VAT and delivery.

THE SUPPLIER

In order to take advantage of the special pricing, all purchases must be made through the single designated Toyo dealer. When ordering, you must also quote your CTCRC membership number - this is normally "BMW/" followed by your car's competition number. This is so that Toyo can monitor how many tyres have been purchased with the competitors rates to control abuse of the system.

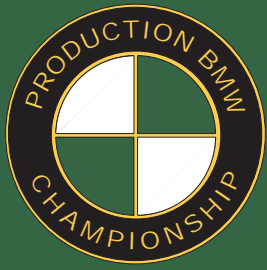

The tyre supplier is:

Mike Stokes Motorsport
1053 Wimbourne Road
Moordown

drivers deals

thorney motorsport- exhausts

Designed and developed as part of Milltek Sports sponsorship of the Milltek Sport BMW Challenge these systems are pure race bred, however they are also quiet enough for track day use (98db). Whilst the series sponsorship deal only covered the 2005 season we will continue to discount these systems for registered drivers.

The full system comprises from the downpipes back (as dictated by the series regulations) is made of 100% type 304 stainless steel and generates measurable amounts of torque and BHP as well as saving considerable weight over standard.

Over 2/3 of the competitors run with one of these systems.

Cost: POA

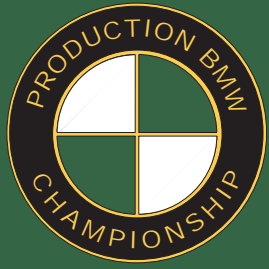

Thorney Motorsport Ltd
Dunsby Road

drivers deals

powerflex- poly bushes

We have negotiated a deal with Powerflex for supply of bushes for competitors in the series. All orders will have to come via dave mullender

For more product info see:-

<http://www.powerflex.co.uk/products.asp?cat=0003&catalog=0103>

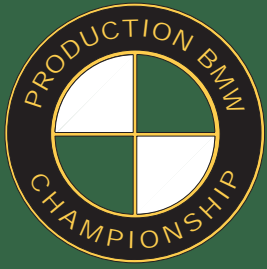

The deal will be for a Full Front kit including the eccentric bushes (for a 19mm front ARB) for £32

The rear kit will be £65 which excludes the 2 un-necessary rear ARB bushes as we don't use rear ARBs (if you've just found one in your car, best get it out its against regs)

These equate to around a 50% discount however, you'll have to pay for carriage or collect from me as they will be delivered in bulk to my place to avoid carriage costs.

contact: dave mullender via u2u or email

drivers deals

More
than just a shock

drivers deals

oil- valvoline

VR1 Racing Motor Oil's exclusive chemistry is designed to reduce friction and enhance power. It is among the most popular engine lubricants in all types of racing including CART, stock car and drag racing. It is recommended for engines burning gasoline and full or partial alcohol fuels in track and street service.

High performance and protection for today's engines that run at high RPM

New ashless anti-wear additives combined with ZDDP provide ultimate wear protection

Enhanced anti-foam system helps protect the engine even during extreme stress

Enhanced additives protect against high-temperature deposits for a cleaner engine

Friction modifiers help improve horsepower output

5 litres for £12
